The 2023 Integrated Annual Report contains the reports of Coca-Cola HBC AG's statutory auditor, PricewaterhouseCoopers AG, Switzerland. Explanation:

Coca-Cola HBC AG is required to prepare a report on non-financial matters as of the financial year ended 31 December 2023 with the introduction of Art. 964a of the Swiss Code of Obligations. The 2023 Integrated Annual Report sets forth on pages 116 and 117 further details on compliance of Coca-Cola HBC AG's obligation. 3. Appropriation of available earnings and reserves / declaration of dividend

3.1 Appropriation of available earnings

Motion:

The Board of Directors proposes to appropriate the earnings as follows:

Available earnings and reserves	
Balance brought forward	CHF (39,441,492.63)
Net profit for the year	CHF 78,881,422.47
Total accumulated profit to be carried forward	CHF 39,439,929.84

3.2 Declaration of dividend from reserves

Motion:

The Board of Directors proposes to declare on each ordinary registered share with a par value of CHF 6.70 from the general capital contribution reserve a dividend of EUR 0.93 (the "Dividend"). Own shares held directly by Coca-Cola HBC AG are not entitled to the Dividend. The total aggregate amount of the Dividend shall be capped at an amount of CHF 375,000,000 (the "Cap"), and thus will reduce the general capital contribution reserve of CHF 3,444,860,479.48 as shown in the financial statements as of 31 December 2023, by a maximum of CHF 375,000,000. To the extent that the Dividend calculated on EUR 0.93 per share would cumulatively exceed the Cap on the day of the Annual General Meeting, due to the exchange rate determined by the Board of Directors in its reasonable opinion, the Euro per share amount of the Dividend shall be reduced on a pro-rata basis so that the aggregate amount of the Dividend paid does not exceed the Cap. Payment of the Dividend is anticipated to be made on 24 June 2024 to holders of Coca-Cola HBC AG shares on the record date of 31 May 2024.

Explanation:

Provided that the proposed distribution out of the general capital contribution reserve is approved, it is currently anticipated that the Dividend will be paid on 24 June 2024 to holders of shares on the record date of 31 May 2024. Accordingly, the shares will be traded ex-dividend as of 30 May 2024, and the last day on which the shares may be traded with entitlement to receive the Dividend will be 29 May 2024. The Dividend may only be approved and paid if the Stand-Alone Financial Statements are approved in accordance with agenda item 1.

Coca-Cola HBC AG's statutory auditor, PricewaterhouseCoopers AG, Switzerland, has audited the proposed accumulation of profit (including the declaration of dividend). The auditor's report confirms that the proposed appropriation complies with Swiss law and the Articles of Association.

See also the section "Organisational matters and Participation in the Annual General Meeting" – "Proxies" to this Notice.

The proposed independent proxy, Ms. Ines Poeschel, is a partner and attorney-at-law at Kellerhals Carrard Zürich KIG, Zurich, Switzerland and has held office as Coca-Cola HBC AG's independent proxy since 2013.

7. Election of the auditors

7.1 Re-election of the statutory auditor

Explanation:

Upon the recommendation of the Audit and Risk Committee, the Board of Directors proposes that PricewaterhouseCoopers AG, in Zurich, Switzerland, be re-elected for the financial year ending 31 December 2024 as the statutory auditor of Coca-Cola HBC AG. The statutory auditor's main task is to audit the consolidated financial statements and the statutory financial statements. PricewaterhouseCoopers AG, in Zurich, Switzerland will also act as audit expert for audits of capital increases.

7.2 Advisory vote on re-appointment of the independent registered public accounting firm for UK purposes

Motion:

The Board of Directors proposes (i) to approve, by way of an advisory vote, the re-appointment of PricewaterhouseCoopers S.A., Halandri, Greece, as the independent registered public accounting firm of Coca-Cola HBC AG for the purposes of reporting under the rules of the UK's Financial Conduct Authority, to hold office for a term of one year until the next annual general meeting in 2025; and (ii) to confirm, by way of an advisory vote, the authority of the Audit and Risk Committee to determine PricewaterhouseCoopers S.A.'s terms of engagement and remuneration.

Explanation:

Upon the recommendation of the Audit and Risk Committee, the Board of Directors proposes that shareholders approve, by way of an advisory non-binding vote, the re-appointment of PricewaterhouseCoopers S.A., Halandri, Greece ("PwC S.A."), an affiliate of PricewaterhouseCoopers AG, as the independent registered public accounting firm of Coca-Cola HBC AG for the purposes of reporting under the Disclosure Guidance and Transparency Rules and the Listing Rules of the UK's Financial Conduct Authority, to hold office for a term of one year until the next annual general meeting in 2025. The Audit and Risk Committee reviews both the audit scope and estimated fees for professional services for the coming year and as such, the Board of Directors proposes that shareholders confirm, by way of an advisory non-binding vote, the authority of the Audit and Risk Committee to determine PwC S.A.'s terms of engagement and remuneration.

8. Advisory vote on the UK Remuneration Report

Motion:

The Board of Directors proposes that shareholders approve, by way of an advisory vote, the remuneration report of the Board of Directors, excluding the section containing the remuneration policy of Coca-Cola HBC AG for purposes of this resolution (the "UK Remuneration Report").

Explanation:

The full UK Remuneration Report is set out in the 2023 Integrated Annual Report on pages 159 to 184 and is divided into two sections. The first section sets out Coca-Cola HBC AG's remuneration policy (see agenda item 9) and the second section details the implementation of the remuneration policy for the financial year ended on 31 December 2023, including amounts paid to members of the Board of Directors for 2023. The total remuneration paid or accrued for the members of the Board of Directors and for the members of the Executive Leadership Team (which includes the CEO) amounts to EUR 30.6 million. The UK Remuneration Report aims to adhere to the form and content prescribed by UK remuneration reporting regulations. Although as a Swiss company, Coca-Cola HBC AG is not required to comply with such remuneration reporting regulations, Coca-Cola HBC AG has sought to provide information broadly in line with UK practice to assist its shareholders in benchmarking Coca-Cola HBC AG against its peer companies. The Board of Directors wishes to give shareholders an opportunity to approve, by way of an advisory non-binding vote, the UK Remuneration Report, which excludes the section containing the remuneration policy of Coca-Cola HBC AG for purposes of this resolution (see further agenda item 9).

9. Advisory vote on the Remuneration Policy

Motion:

The Board of Directors proposes that shareholders approve, by way of an advisory vote, the remuneration policy of Coca-Cola HBC AG (the "Remuneration Policy"), in the form set out at pages 166 to 174 of the 2023 Integrated Annual Report, which takes effect immediately after the end of the Annual General Meeting on 21 May 2024.

Explanation:

The Remuneration Policy forms part of the full UK Remuneration Report and explains the governance structure of Coca-Cola HBC AG and the responsibilities of the Board of Directors for remuneration matters.

For members of the Board of Directors, the Remuneration Policy provides for an annual fixed fee plus additional fixed fees for membership of the committees of the Board of Directors.

For the CEO, and the other members of the Executive Leadership Team of Coca-Cola HBC AG, the Remuneration Policy provides for remuneration comprising a base salary, a cash bonus, participation in a performance share plan and an employee share purchase plan, a pension plan and certain other benefits. The Remuneration Policy has been established by the Remuneration Committee and its objective is to attract, retain and motivate the CEO and the Executive Leadership Team and ensure that their individual contributions are directly linked to the success of Coca-Cola HBC AG. As a Swiss company, Coca-Cola HBC AG is not required to give shareholders a binding vote on its Remuneration Policy (unlike UK incorporated companies). However, the Board of Directors wishes to adhere to UK corporate governance best practice in this respect to the extent possible and therefore give shareholders an opportunity to approve, by way of an advisory non-binding vote, the Remuneration Policy.

10. Advisory vote on the Swiss Remuneration Report

Motion:

The Board of Directors proposes that shareholders approve, by way of an advisory vote, the remuneration report required by Swiss law (the "Swiss Remuneration Report").

Explanation:

Coca-Cola HBC AG is required to prepare the Swiss Remuneration Report pursuant to the applicable Swiss corporate rules regarding compensation as set forth in the Swiss Code of Obligations. The Swiss Remuneration Report is set out on pages 285 to 294 of the 2023 Integrated Annual Report. The Swiss Remuneration Report is accompanied by a report of the statutory auditor of Coca-Cola HBC AG set out on pages 283 to 284 of the 2023 Integrated Annual Report, confirming that the Swiss Remuneration Report for the year ended 31 December 2023 complies with Swiss law and articles 734a to 734f of the Swiss Code of Obligations.

11. Approval of the remuneration of the Board of Directors and the Executive Leadership Team

General introduction:

Based on Art. 34 of the Articles of Association, the Board of Directors proposes to hold separate votes on the compensation of the Board of Directors and the Executive Leadership Team, i.e. to approve the maximum aggregate amount of (1) the remuneration for the Board of Directors until the next ordinary annual general meeting in 2025; and (2) the remuneration for the Executive Leadership Team for the next financial year.

11.1 Approval of the maximum aggregate amount of remuneration for the Board of Directors until the next annual general meeting

Motion:

The Board of Directors proposes that shareholders approve a maximum aggregate amount of compensation for the members of the Board of Directors covering the period from the 2024 Annual General Meeting until the next annual general meeting in 2025 in the amount of EUR 1.5 million.

Explanation:

The board and committee fees shall remain unchanged for the period from the Annual General Meeting to the annual general meeting in 2025.

The non-executive members of the Board of Directors of Coca-Cola HBC AG are entitled only to board participation fees. Accordingly, they only receive fixed compensation and do not receive any variable, performance-based compensation, equity compensation or any additional fees for attending meetings. Members of the Board of Directors do not receive company pension or insurance benefits for their respective board fees.

The table below shows the fees on which the proposed maximum aggregate amount of EUR 1.5 million for the remuneration for the members of the Board of Directors proposed for the period from the Annual General Meeting to the annual general meeting next year is based:

Chairman of the Board of Director's fee	150,000 €
Basic non-Executive Director's fee	82,000 €
Senior Independent Director fee	18,000 €

Committees	Audit and Risk	Remuneration	Nomination	Social Responsibility
Committee chairman fee	32,000 €	13,000 €	13,000 €	13,000 €
Committee member fee	16,000 €	6,500 €	6,500 €	6,500 €

The proposed maximum aggregate amount of the remuneration for the members of the Board of Directors assumes that all proposed Board members (and Remuneration Committee members) will be elected by the shareholders at the Annual General Meeting.

11.2 Approval of the maximum aggregate amount of remuneration for the Executive Leadership Team for the next financial year

Motion:

The Board of Directors proposes that shareholders approve a maximum aggregate amount of compensation for the members of the Executive Leadership Team (which includes the Chief Executive Officer) for the next financial year starting on 1 January 2025 and ending on 31 December 2025 in the amount of EUR 43,660,000.

Explanation:

The objective of Coca-Cola HBC AG's remuneration philosophy is to attract, retain and motivate employees who are curious, agile and committed to perform. Coca-Cola HBC AG's reward strategy seeks to promote a growth mindset and reinforce desirable behaviours, ensuring that employees are fairly rewarded and that they recognise that their individual contributions are directly linked to the success of Coca-Cola HBC AG.

Variable pay is an important element of Coca-Cola HBC AG's reward philosophy. A significant proportion of remuneration for top managers (including the CEO and the members of the Executive Leadership Team) is tied to the achievement of the business objectives of Coca-Cola HBC AG. These objectives are defined by key business metrics that are consistent with Coca-Cola HBC AG's growth strategy and will deliver long-term shareholder value. The variable pay element increases or decreases based on the achieved business performance. Through equity-related long-term compensation, Coca-Cola HBC AG seeks to ensure that the financial interests of the CEO, the members of the Executive Leadership Team and the top managers are aligned with those of shareholders.

All the remuneration plans of Coca-Cola HBC AG, both fixed and variable, are designed to be cost-effective, taking into account market practice, business performance and individual performance and experience where relevant. Coca-Cola HBC AG pays close attention to shareholders' views in reviewing the remuneration policy and programmes of Coca-Cola HBC AG.

The current remuneration policy for Coca-Cola HBC AG including the key features on the Executive Leadership Team remuneration plan is set out on pages 163 to 183 of the 2023 Integrated Annual Report.

The Executive Leadership Team remuneration plan has the full support of the Remuneration Committee and the Board of Directors. The Board of Directors believes that the plan will provide a competitive advantage to Coca-Cola HBC AG in the marketplace for executive talent and is aligned with Coca-Cola HBC AG's strategies and objectives as well as shareholders' interests.

The maximum remuneration is based on the following calculation of the aggregate compensation for all members of the Executive Leadership Team:

	Fixed Remuneration		Variable Pay		Total Remuneration
	Base Salary	Retirement and other Benefits	Management Incentive Plan	Performance Share Plan	
Minimum	€ 8,800,000	€ 10,577,573	€ 0	€ 0	€ 19,377,573
At target	€ 8,800,000	€ 11,990,000	€ 4,490,000	€ 7,450,000	€ 32,730,000
Maximum	€ 8,800,000	€ 13,480,000	€ 8,970,000	€ 12,410,000	€ 43,660,000

The compensation "At target" reflects 100% of the value of the awards made under the Management Incentive Plan and the expected value of performance share awards made under the Performance Share Plan. The "maximum" value of the remuneration for the Executive Leadership Team that is proposed to the shareholders for approval at the Annual General Meeting reflects 200% of the value of the awards made under the Management Incentive Plan and 100% of the value of performance share awards made under the Performance Share Plan, and would thus require all targets to be significantly exceeded. To date, such level of pay-out for all Executive Leadership Team members on an aggregate basis has never occurred at Coca-Cola HBC AG.

12. Approval of share buy-back

Motion:

The Board of Directors proposes to repurchase up to 15,000,000 ordinary shares of CHF 6.70 each in the capital of Coca-Cola HBC AG on such terms and in such manner as the Board of Directors shall from time to time determine provided that:

- (a) the maximum aggregate number of ordinary shares authorised to be purchased is 15,000,000;
- (b) the minimum price (exclusive of expenses) which may be paid for an ordinary share is CHF 6.70;
- (c) the maximum price (exclusive of expenses) which may be paid for an ordinary share is the higher of (i) 5% over the average middle market price of the ordinary shares (as derived from the London Stock Exchange Daily Official List) for the five business days immediately preceding the date on which Coca-Cola HBC AG agrees to buy the shares concerned; and (ii) an amount equal to the higher of the last independent trade of an ordinary share and the highest current independent bid on the trading venues where the purchase is being carried out.

The authority to buy back shares will expire at the conclusion of the 2025 annual general meeting of Coca-Cola HBC AG or at midnight on 30 June 2025, whichever is the earlier, unless previously revoked, varied or renewed by Coca-Cola HBC AG in a general meeting prior to such time. Coca-Cola HBC AG may at any time prior to expiry of such authority enter into a contract or contracts under which a purchase of ordinary shares under such authority will or may be completed or executed wholly or partly after expiration of such authority and Coca-Cola HBC AG may complete such purchases as if the authority had not expired.

Explanation:

The Board of Directors proposes to approve a share buy-back programme to purchase up to 15,000,000 ordinary shares, which equals (including any treasury shares already held by the CCHBC Group) less than 10% of Coca-Cola HBC AG's share capital issued as at 10 April 2024, the latest practicable date before the publication of this Notice. The Board of Directors' current intention is that the shares are repurchased (i) in order to avoid dilution from the issuance of shares out of Coca-Cola HBC AG's conditional capital following the issuance of stock options; or (ii) to allocate shares for vested performance share awards granted by Coca-Cola HBC AG; or (iii) to provide maximum flexibility in the management of the capital resources of Coca-Cola HBC AG. This motion specifies the maximum number of shares that may be purchased and minimum and maximum prices at which they may be bought. The minimum price is set at the nominal value of the ordinary shares in Coca-Cola HBC AG. The authority to buy-back shares will expire at the conclusion of the 2025 annual general meeting or, if earlier, at midnight on 30 June 2025. Coca-Cola HBC AG is allowed to hold its own shares in treasury following a buy-back instead of having to cancel them. This gives Coca-Cola HBC AG the ability to re-issue treasury shares quickly and cost effectively and provides Coca-Cola HBC AG with additional flexibility in the management of its capital base. If the Board of Directors exercises the authority conferred by agenda item 12, Coca-Cola HBC AG will have the option of either holding in treasury or of cancelling any of its own shares, subject to relevant requirements, and will decide at the time of purchase which option to pursue. Cancellation involves a capital decrease, which requires an amendment to the Articles of Association and will be subject

to shareholder approval at a future general meeting. The Board of Directors will exercise the authority conferred on them only when to do so would be in the best interests of the shareholders generally. The Board announced the launch of a share buy-back programme on 21 November 2023 which is expected to run for a period of around two years with the intention to return up to EUR 400 million to shareholders. The Board of Directors intends to seek renewal of this authority at subsequent general meetings.

The total number of options to subscribe for shares outstanding as at 10 April 2024, the latest practicable date before the publication of this Notice was 643,837. This represents approximately 0.18 per cent of the issued share capital (excluding treasury shares) at that date. If Coca-Cola HBC AG was to buy back the maximum number of ordinary shares permitted by the authority sought in this Notice and the existing authority to purchase shares taken at last year's annual general meeting (which expires at the end of the Annual General Meeting this year), then the total number of options to subscribe for ordinary shares outstanding as at 10 April 2024 would represent 0.18 per cent of the reduced issued share capital (excluding treasury shares).

13. Approval of the amendments to the articles of association

General introduction:

On 1 January 2023, the new Swiss corporate law, providing for certain revisions to provisions with respect to companies limited by shares in the Swiss Code of Obligations ("CO"), has come into force. With the reform of the Swiss corporate law, the protection of minority shareholders has been further improved, the holding of general meetings and board meetings has been modernised and the provisions of the Ordinance Against Excessive Compensation in Listed Companies has been transferred into the CO. In order for the Articles of Association to comply with the revised provisions, the Board of Directors proposes to amend the Articles of Association at the Annual General Meeting. For the explanation of the motions and the text of the proposed revised Articles of Association, kindly refer to Annex 1 and 2 of this Notice.

13.1 Alignment with mandatory new Swiss corporate law provisions (Articles 6, 11, 14, 15, 20, 25, 34, 36 and 37)

Motion: The Board of Directors proposes to amend the articles 6, 11, 14, 15, 20, 25, 34, 36 and 37 as set forth in Annex 1 and 2 of this Notice to align the Articles of Association with the new Swiss corporate law.

13.2 Other voluntary changes (Articles 4, 10, 13, 16, 18, 19, 43 and 45)

Motion: The Board of Directors proposes to amend the articles 4, 10, 13, 16, 18, 19, 43 and 45 as set forth in Annex 1 and 2 of this Notice to align the Articles of Association with the new Swiss corporate law.

Recommendation of the Board of Directors

The Board of Directors considers that all the proposals to be considered at the Annual General Meeting are in the best interests of Coca-Cola HBC AG and its shareholders as a whole. Accordingly, the Board of Directors unanimously recommends that you vote in favour of all the proposed resolutions, as the Directors who hold shares in Coca-Cola HBC AG intend to do in respect of their own beneficial holdings.

(b) CDI Attendants

In connection with the admission of Coca-Cola HBC AG's shares to the premium segment and to trading on the London Stock Exchange, Coca-Cola HBC AG entered into arrangements enabling investors to hold, transfer and settle interests in Coca-Cola HBC AG's shares in the form of CREST depositary interests ("CDIs"). CDIs are independent uncertificated securities constituted under English law, allowing the electronic settlement of trades in Coca-Cola HBC AG's shares via the CREST system operated by Euroclear UK & Ireland Limited. Each CDI represents one Coca-Cola HBC AG ordinary share.

The following persons (referred to as "CDI Attendants"), who are:

- CREST members holding CDIs as beneficial owner;
- CREST members holding CDIs who act upon instructions from the beneficial owners (nominees), provided that they disclose the name, address and shareholding of such beneficial owners; or
- Beneficial owners (other than CREST members) of CDIs who can establish through which nominees they hold their CDIs and disclose their name, address and shareholding,

are entitled to attend the Annual General Meeting, be represented by a proxy or by the Independent Proxy, and to cast their votes where they are the subject of an omnibus proxy expected to be granted by CREST International Nominees Limited in favour of such CDI Attendants.

CREST members who are entered in the CDI register maintained under the operation of Euroclear UK & Ireland Limited (the "CDI Register") will receive a reply form together with this Notice, which includes the web address (URL) and the username and password for the online proxy voting platform that such CREST members may use in connection with the Annual General Meeting. Those members, or the beneficial owners of CDIs, should use the reply form to order admission cards, appoint a proxy or instruct the Independent Proxy. **All nominees are requested to forward copies of this Notice and the reply form (except for the access details to the online proxy voting platform, which they should treat as confidential and blacken or otherwise efface) immediately** to the beneficial owners of CDIs and to thereby clearly indicate the nominee's address for reply mail. Beneficial owners of CDIs are requested to follow the instructions of the CREST member through whom they hold their CDIs and to return any forms or voting instructions to such CREST member.

Preparation for the Annual General Meeting will be facilitated by the **prompt return of your reply form**. Beneficial owners of CDIs should return them as soon as possible to their nominees, and CREST members should return them as soon as possible and, in any event no later than 14 May 2024, or a date required by the nominee, to the nominee from whom they received it. Processing of reply forms including beneficial ownership declarations may be time consuming and cannot be guaranteed if reply forms are received later than 14 May 2024. Please note the section "Signing of reply forms" below.

Instead of returning the reply form by mail, CREST members may also return it via the online proxy voting platform. In such case, please register online by using the URL and your username and password printed on the reply form. You may then scan and upload the printed and signed reply form. Please submit the reply form **electronically** as soon as possible and by 11:00 am UK BST (12:00 noon CET) on 15 May 2024 at the latest. Note that this electronic platform is only available for use by CREST members and not for beneficial owners of CDIs who hold their CDIs through a nominee.

Please note that, **in addition to returning the reply card**, to be eligible to attend and vote at the Annual General Meeting (in person or by proxy), CDI attendants must also **transfer their holding of CDIs** (i.e. such balance of CDIs in respect of which they wish to vote) **to an escrow balance in CREST** by inputting a transfer to escrow instruction in CREST to settle by 11:00 am UK BST (12:00 noon CET) on 10 May 2024 at the latest in accordance with the instructions set out in the corporate action bulletin to be published by Euroclear UK & Ireland Limited on or around 19 April 2024 (available on the Euroclear UK & Ireland section of its website at: www.euroclear.com). Beneficial ownership of the CDIs will be unchanged by reason of the transfer to escrow. Such CDIs will be held by CREST Depository Limited under the control of and to the order of Coca-Cola HBC AG (and, therefore, will not be available for any other settlement within the CREST system) until they are released from escrow, which will take place automatically before the commencement of dealings on the London Stock Exchange on 20 May 2024, 8:00 am UK BST (9:00 am CET) (to the extent practicable).

It is the sole responsibility of each CREST member and the beneficial owners for whom it acts as a nominee to ensure that the CDIs transferred into escrow are at least equal to the total number of CDIs for which voting rights are asserted by such CREST member and the beneficial owners for whom it acts as a nominee. If a beneficial owner gives voting instructions or returns a reply form to a CREST member, Coca-Cola HBC AG recommends that such CREST member immediately transfers the required balance of CDIs into escrow to avoid any shortage of CDIs in escrow. **If a CREST member fails to duly transfer a sufficient number of CDIs into escrow, all (and not only the exceeding) voting rights, reply forms and voting instructions relating to its CDIs will be disregarded**, unless: (i) such CREST member has informed Coca-Cola HBC AG, c/o sharecomm ag, Europa-Strasse 29, CH-8152 Glattbrugg, Switzerland, in writing by registered mail and by 10 May 2024, 11:00 am UK BST (12:00 noon CET) (time of receipt) which voting rights, reply forms and voting instructions relating to its CDIs and exceeding the balance of CDIs in escrow are to be disregarded and which are not; or (ii) if Coca-Cola HBC AG, in its sole discretion, determines that it can otherwise establish which voting rights, reply forms and/or voting instructions relating to such CDIs should be disregarded and which should not.

CREST members who will be entered in the CDI register after 30 April 2024 but before 13 May 2024, 11:00 am UK BST (12:00 noon CET), will be sent this Notice and the reply form upon request only.

(c) DSS Holders

In connection with its secondary listing on the Athens Exchange, Coca-Cola HBC AG shares may be held in book-entry form in the Greek dematerialised securities system ("DSS") in DSS accounts. Based on reporting of DSS account information, Coca-Cola HBC AG registers in its share register all holders of Coca-Cola HBC AG shares in DSS accounts ("DSS Holders") as shareholders without voting rights from time to time. As registered shareholders, DSS Holders will generally be subject to the same rules as other registered shareholders, as set out in section (a) above, except as mentioned below. In particular, they will receive the same information as other registered shareholders (including the web address (URL) and a username and password for the online proxy voting platform) except that their reply form is designed so as to facilitate their registration in the share register with voting rights in order to vote at the Annual General Meeting.

In order to be eligible to vote, however, DSS Holders must explicitly declare on their reply form that they hold their shares as beneficial owners, i.e. in their own name and for their own account. By giving a beneficial ownership declaration, DSS Holders may be registered in the share register as shareholders with voting rights in accordance with Art. 7 para. 2 of the Articles of Association. Beneficial ownership declarations will also extend to additional shares acquired and registered by 13 May 2024.

Nominees who qualify as financial intermediaries under Art. 7 para. 3 of the Articles of Association may be eligible to vote provided that they disclose the name, address and shareholding of all such beneficial owners upon whose voting instructions they act. On the reply form, DSS Holders will also consent to be requalified as shareholders without voting rights after the Annual General Meeting.

If you are a DSS holder and **elect to register with voting rights, give voting instructions or to order an admission card electronically** via the online proxy voting platform, please register online by using the URL and your username and password printed on the reply form. You may then appoint the Independent Proxy and give voting instructions electronically or order an admission card electronically by 15 May 2024, 11:00

am UK BST (12:00 noon CET), at the latest. Note that if your DSS account information contains a *mailing address indicating not you but a third party (including custodians and other representatives)* as the addressee, you or such third party acting on your behalf will need to scan and upload the printed and signed reply form (plus, if applicable, a power of attorney, a sample of which is provided to such DSS Holders as annex 2 to their reply form) to the online proxy voting platform for authentication purposes (please also note the section "Signing of reply forms" below). Please contact your DSS operator if you would like to change your mailing address in your DSS account information.

If you are a DSS Holder and **elect to return the printed reply form**, you are urged to return your reply form as soon as possible and in any event by 14 May 2024 at the latest to Coca-Cola HBC AG, c/o sharecomm ag, Europa-Strasse 29, CH-8152 Glattbrugg, Switzerland. Processing of reply forms including registration requests and beneficial ownership declarations may be time consuming and cannot be guaranteed if reply forms are received later than 14 May 2024.

In any event, the last business day before the voting record date on which registration requests on reply forms will be processed is 13 May 2024. Also, please note the section "Signing of reply forms" below.

If DSS Holders who declare to be the beneficial owner of their shares increase their shareholding recorded in DSS by 13 May 2024 (close of business), proxies and voting instructions will be amended automatically without any further notice and extend to the additionally registered shares. If the shareholding eligible for voting increases or decreases after issuance of the admission card, DSS Holders will receive a new admission card upon registration at the information desk of the Annual General Meeting. DSS Holders who dispose of their shares in DSS by 13 May 2024 (close of business) are not entitled to vote at the Annual General Meeting. DSS Holders who dispose of their shares in DSS after 13 May 2024 remain entitled to vote at the Annual General Meeting.

Signing of reply forms

Reply forms submitted by mail or, if applicable, uploaded as a scan through the online proxy voting platform must be signed as follows:

- by the relevant shareholder or CDI Attendant personally;
- if such shareholder or CDI Attendant is a legal entity, by duly authorised representatives of such legal entity (typically stamped and signed by two authorised signatories);
- if such shareholder or CDI Attendant is a minor or incapable to act, by its legal representative;
- if any other persons, such as custodians, depositary banks, asset managers, DSS operators, financial intermediaries or any other representatives (other than nominees being shareholders or CDI holders of record who act in their own name), sign a reply form, the reply form must be accompanied by a written, dated and signed power of attorney by the relevant registered shareholder or CDI Attendant that in the view of Coca-Cola HBC AG clearly evidences the authorisation to sign the reply form, including the matters contained therein, on such shareholder's or CDI Attendant's behalf. (In order to take account of the particularities of the Greek DSS, a sample of such a proxy is provided to certain DSS Holders as annex 2 to their reply form, as mentioned in the preceding section "Participation in the Annual General Meeting – "DSS Holders".)

Note that pursuant to mandatory Swiss law, Coca-Cola HBC AG is not permitted to admit any institutionalised form of representation, including representation based on foreign law or on general terms and conditions, by depositary banks or asset managers (other than nominees being shareholders or CDI holders of record) but may only admit custodians, depositary banks, asset managers, DSS operators, financial intermediaries if they act either in their own name or upon an express, written and signed power of attorney and upon instructions by the shareholder of record.

Coca-Cola HBC AG has authority and responsibility to verify the due authorisation of signatories of the reply forms and any powers of attorney as it deems it required. In case of doubt, Coca-Cola HBC AG retains the right to require, in its discretion, additional conclusive evidence on signature authority (such as excerpts from commercial registers, certificates of incumbency, written proxies specifically authorising the signatory to sign the reply form, etc.).

Physical Attendance

Registered shareholders (including DSS Holders) or CDI Attendants who wish to attend the Annual General Meeting personally should apply for personal attendance by returning the reply card filled in accordingly.

In relation to registered shareholders, admission cards will be sent by mail starting 30 April 2024. Otherwise, shareholders may pick up the admission card at the information desk at the Annual General Meeting upon photo identification.

In relation to CDI Attendants, admission cards will be available for pick-up at the information desk of the Annual General Meeting. When picking up their admission card, CDI Attendants are requested to present photo identification.

Proxies

Shareholders and CDI Attendants who do not wish to attend the Annual General Meeting in person can, in general, be represented as follows:

- By the independent proxy, Ms. Ines Poeschel, Kellerhals Carrard Zürich KIG, Raemistrasse 5, CH-8024 Zurich, or, if she cannot attend, her representative. Shareholders or CDI Attendants who wish to instruct the independent proxy must fill in the reply form accordingly or use the online proxy voting platform, as explained above. Please give general voting instructions by filling in the relevant section on the front side of the reply form or specific instructions by filling in the relevant section on the reverse side of the reply form. Without general or specific instructions, the independent proxy will abstain from voting, which will generally count as a "no"-vote under Coca-Cola HBC AG's Articles of Association.
- By a third person based on written proxy. In order to grant authority to any such person, a shareholder or CDI Attendant must return the reply form after filling in the proxy section of the form and having provided the full name and address of the representative. Duly authorised representatives may pick up the admission card at the information desk if they can provide photo identification.

Voting procedure

Subject to the powers of the chairman of the meeting to determine the voting procedure in accordance with Art. 19 of the Articles of Association, it is expected that voting at the Annual General Meeting will be conducted by written ballot.

Submission of Proposals

Shareholders who wish to propose a motion in respect of the items on the agenda and the proposals of the Board of Directors (being only those set out in this Notice) may do so by sending a written notice to Coca-Cola HBC AG on or before 17 May 2024 the latest.

Zug, 19 April 2024

By order of the Board of Directors Anastassis G. David, Chairman

Annex 1: Explanation to Agenda Item 13

The new Swiss corporate law, effective as of 1 January 2023, requires certain amendments to the articles of association of Swiss share companies to align with the updated provisions in the Swiss Code of Obligations ("CO"). The amendments proposed by Coca-Cola HBC AG's Board of Directors reflect not just the requirements of the new law, but also a commitment to uphold shareholder rights, modernizing corporate governance, and alignment with the latest market standards. The Board of Directors believes that these amendments will reinforce the governance framework and demonstrate the commitment to the highest standards of corporate conduct, thus proposing the approval of all suggested amendments.

The proposed amendments to the articles of association of Coca-Cola HBC AG (the "Articles of Association") are explained below. Subsequently, in Annex 2 the proposed draft of the articles of association compared to the current version of the articles of association is provided. Deletions are shown in red, crossed-out font, new additions in blue font and shifts in green font.

1. Agenda Item 13.1: Alignment with mandatory provisions of the new Swiss corporate law (Articles 6, 11, 14, 15, 20, 25, 34, 36 and 37)

Explanation Concerning the Addition of Art. 6 para. 4

According to the newly enacted Art. 653b para. 1 no. 7 CO, the company's articles of associations must stipulate the procedure for the exercise and the waiver of conversion, option or similar rights. With the new Art. 6 para 4 of the Articles of Associations, the Board of Directors proposes that the exercise of conversion or option rights, and the waiver of these rights, may in the future be performed electronically or in writing, providing for more flexibility and efficiency in the process. Further, it is clarified, that a waiver or expiry of the right to exercise conversion, option or similar rights may also be effected informally or by lapse of time.

Explanation Concerning the Amendments in Art. 11

Art. 11 of the Articles of Association reflects the amended catalogue of non-transferable powers of the general meeting in the new Swiss corporate law. These include the power of the general meeting to approve the report on non-financial matters according to article 964a CO (Art. 11 no. 2), to approve and adopt an interim dividend (Art. 11 no. 4) and the delisting of the shares of Coca-Cola HBC AG (Art. 11 no. 7).

Explanation Concerning the Amendment in Art. 14

The legally required content of the invitation to the general meeting has been revised with the new Swiss corporate law and therefore Art. 14 para. 2 of the Articles of Associations has been amended to reflect the wording of the revised Art. 698 CO.

The amendment in Art. 14 para. 3 of the Articles of Association adjusts the minimum share capital threshold for one or more shareholders to request a shareholders' meeting. This is now set at five percent of the company's share capital or of the votes, in line with the revised Art. 699 para. 3 no. 1 CO.

Explanation Concerning the Amendment in Art. 15 para. 2

The minimum share capital threshold for one or more shareholders to request an item to be put on the agenda has been amended with the new corporate law to 0.5% of the company's share capital or of the votes. Shareholders who exercise their right to have an item put on the agenda now also have the statutory right to include an explanatory statement in the invitation to the general meeting. Art. 15 para. 2 of the Articles of Association has been amended accordingly to reflect the new Swiss corporate law.

Explanation Concerning the Amendment in Art. 20

According to the revised Art. 702 CO, listed companies must make available resolutions and election results with details of the exact percentage of votes. Art. 20 para. 2 of the Articles of Association, which stipulates that in case of written ballots, the chairman of the meeting may rule that only the ballots of those shareholders shall be collected who chose to abstain or to cast a negative vote, and that all other shares represented at the general meeting at the time of the vote shall be counted in favour, in order to expedite the counting of the votes shall therefore be deleted.

Explanation Concerning the Amendment in Art. 25

The proposed amendments in Art. 25 of the Articles of Association reflect the amended catalogue of the non-delegable and irrevocable duties of the Board of Directors as set forth in the revised Art. 716a CO.

Explanation Concerning the Amendment in Art. 34

Art. 34 para. 6 of the Articles of Association regarding the date of applicability of Art. 34 of the Articles of Association shall be deleted. Further, it is specified that if variable remuneration is voted on prospectively,

the remuneration report must be submitted to the general meeting for an advisory vote. This addition in Art. 34 para. 7 of the Articles of Association reflects the wording of mandatory Swiss law.

Explanation Concerning the Amendment in Art. 36

Pursuant to the new Swiss corporate law, the definition of external appointments outside of the company has been newly defined as positions in comparable functions at other undertakings with an economic purpose. Consequently, the Board of Directors proposes to adjust Art. 36 para. 2 and 3 of the Articles of Association accordingly.

Explanation Concerning the Amendment in Art. 37

The amendment in Art. 37 para. 1 of the Articles of Association reflects the wording of the revised Art. 735b para. 1 CO, which specifies that the term of the contracts governing the remuneration of the members of the Board of Directors may not exceed the term of office.

Art. 37 para. 2 of the Articles of Association is revised to align it with the revised provisions on post-contractual non-competition clauses. According to the new Art. 735c no. 2 CO, compensation based on a non-competition clause may not exceed the average of the remuneration of the last three business years and may only be paid if the non-competition clause is justified in terms of business.

2. Agenda Item 13.2: Other voluntary changes (Articles 4, 10, 13, 16, 18, 19, 43 and 45)

Explanation Concerning the Deletion of Art. 4 para. 2

Before the Swiss corporate law revision, the general meeting of Coca-Cola HBC AG could only resolve to convert registered shares into bearer shares and bearer shares into registered shares if there was a statutory basis in the Articles of Associations. Under the new Swiss corporate law, this statutory basis is no longer required and therefore this provision Art. 4 para. 2 in the Articles of Associations may be deleted.

Explanation Concerning the Deletion in Art. 10 para. 3

As the Articles of Association do not contain an authorised capital, the references in Art. 10 para. 3 to the authorised capital may be deleted.

Explanation Concerning the Amendment in Art. 13 para. 3

Linguistic adjustment in the German version of the Articles of Association.

Explanation Concerning the Amendment in Art. 16 para. 2 and 5

The proposed amendment in Art. 16 para. 2 and 5 of the Articles of Association broadens the methods through which shareholders can authorize representation at the general meeting. While the concept of representation remains the same, the Board of Directors would now also have the discretion to allow forms of authorization other than in writing. This could potentially involve electronic or digital forms of authorization, providing shareholders with more flexibility in how they authorize their representation.

Explanation Concerning the Amendment in Art. 18 para. 2

Minor amendment to the wording in Art. 18 para. 2 of the Articles of Association to specify that the general instruction to the independent proxy to vote according to the proposal of the Board of Directors also includes proposals not announced in the invitation but relating (i) to agenda items announced in the invitation and (ii) to new agenda items in accordance with article 704b CO.

Explanation Concerning the Amendment in Art. 19

The proposed revised wording of Art. 19 of the Articles of Association complies with the revised Art. 704 CO, resulting in the deletion of the word "absolute" in connection with the majority of the votes cast (in para. 2) or of the nominal value of shares represented (in para. 3). No substantive change is intended by this.

Explanation Concerning the Amendment in Art. 43

The proposed amendment in Art. 43 of the Articles of Association broadens the scope and methods for company communications. The new provision retains the Swiss Official Gazette of Commerce as the primary publication organ (Art. 43 para. 1). In case Coca-Cola HBC AG communicates to its shareholder, such communication shall now also be possible via e-mail (Art. 43 para. 2).

Explanation Concerning the Deletion of Art. 45

The disclosure of contributions in kind according to Art. 45 of the Articles of Association may be deleted after 10 years. Therefore, the Board of Directors proposes to delete Art. 45.
